

2 Bedroom Suite

1 Bedroom Suite

Aqua Bay Club, located on the world Famous Seven Mile Beach, combines luxurious ocean-front Accommodations with friendly Caymanian hospitality. With each unit facing the beachfront, pool, Jacuzzi and, naturally, the crystal clear turquoise waters of the Caribbean Sea, no other accommodations can surpass our fabulous ocean-front views.

The only thing we overlook is the ocean!

Thatched huts, umbrellas and tropical palms line our shore to provide excellent shade to relax and read a book.
